7. HOW THIS SITS WITH THE GROUP PARTNERSHIP NARRATIVE

Keep Feed · Educate · Empower and Agri → Foods → Big Five Royal → Direct. **Big Five Royal Foods (Pty) Ltd** is the operating company on the Royal stage of that chain. **Isidlo seSilo** is the named nutrition programme of the Kingdom under that company. 50:50 equity language remains proposed Group framing; this HOA sets principal operating terms.

Accelerators on every channel: **Big Five Connect (SupplierAdvisor® / supplieradvisor.com)** and **Big Five Leadership (Super-Cube®)**.

8. HONESTY — WHAT THIS IS NOT

- HOA ≠ executed SHA / MOI / supply contract. Principal terms only.
- “Exclusive Official Fortified Meal Provider” is the proposed commercial term for listed activations — not a Palace press statement and not a government tender award.
- 50,000–200,000 meals monthly is HOA planned monthly offtake — not audited delivery.
- Funding stack names are proposed channels — not closed sponsor awards.
- This briefing does not speak for the Palace. Heritage language remains anchored to zulukingdom.co.za.
- No Royal Rate rand figure is published here. No portal emails for Household principals until authorised.
